

SUPPLEMENTAL TYPE CERTIFICATE

EASA.A.S.02937

This certificate, established in accordance with Regulations (EC) No 216/2008 and (EC) No 1702/2003 and issued to:

Fokker Services B.V.
P.O. Box 231
2150 AE Nieuw Vennepe
Netherlands

certifies that the change in the type design for the product listed below with the limitations and conditions specified meets the applicable type certification basis and environmental protection requirements when operated within the conditions and limitations specified below:

Original Product Type Certificate number: *A.064*

Manufacturer: *Airbus S.A.S. (Société par Actions Simplifiée)*

Model: *A319CJ*

Description of Design Change:

VIP Conversion Airbus A319CJ Fokker ref. as detailed in Fokker Services Engineering Report A319-SAG-CRR-0001/4 of 8th May 2008.

European Aviation Safety Agency

Associated Technical Documentation:

AFM Supplement VIP Conversion STC P-EASA.A.S.02937 dated 8th of May 2008.

Limitations and Conditions:

1. Private use only;
2. Refer to chapter 2, Limitations of the AFM Supplement VIP Conversion STC P-EASA.A.S.02937, dated 8th of May 2008;
3. This STC is approved only for the product configuration as defined in the approved design data referred to in the paragraph "description". Compatibility with other aircraft/engine configurations shall be determined by the installer;
4. Prior to installation of this modification the installer must determine that the interrelationship between this modification and any other previously installed modification will introduce no adverse effect upon the airworthiness of the product. The installation of this modification by third persons is subject to written permission of the approval holder.

This certificate shall remain valid unless otherwise surrendered or revoked.

For the European Aviation Safety Agency,
Date of Issue: 15 May 2008

Alain LEROY
